

An alarm from Kalamazoo, when asked why he had flown so high in the sky. Vouchsafed this reply: "I'd as lief crash from ten miles as two."

Waynesburg to Play Two Games in County

He had a worn-out Elver. And he wanted to go far. So he got himself an extra tire. And towed a new spare car.

MONONGAH GLASS AND VISITORS TO MEET TOMORROW

Greene County Sluggers Will Clash With Ida May at Blackshere Sunday.

The last Waynesburg baseball team will be in this section for two games during the present week-end. On Saturday afternoon they will clash with the Monongah Glass nine, the game to be staged at South Side Park starting promptly at 3:30 o'clock, while on Sunday afternoon they will hook up with the Ida May team at Blackshere Park, this battle to start at 2 o'clock.

The Glassies' manager booked this game last evening when it was found out that the game between the Elks and Ida May would not be played. The Glassies' manager also postponed their game with the Ida May team which was to have been played on Sunday so that the Ida May team could play the Waynesburg nine on that date. The Glassies will likely play Port's team on the coming Sunday.

The battle at the local lot on Saturday is expected to draw a record-breaking crowd as both teams are about evenly matched. Waynesburg this season defeated the Ida May team twice, the scores being 3-2 and 11-2. These scores show that they have a real ball team and will make it interesting for the Glass house boys. The visitors are under the management of Joe Phillips, former owner star of the city league. The team is composed mostly of former college players.

Spencer or Tust will be on the mound for the visitors while "Rat" Long will be started for the local nine.

So far as has been learned, the Glassies will be off Sunday. Several of the players are already booked to be in the Ida May lineup in the Sunday battle which all promises to be a real fight. Keefe or Ash will be on the mound for Ida May.

Close Race in Church League. At 6 o'clock this evening the Diamond Street M. E. and the First M. P. will meet on the East Side diamond. Both teams are primed for the contest, and it was announced last night that each team would have some new faces in its lineup when the game is called this evening.

If the Diamond streeters win tonight they will be tied for first place. That will make three teams at the top of the ladder. At present, the Palatine Baptists and the Bummer's Stars are sharing honors as league leaders.

Ida May-Elks Called Off. Manager Port Knight of the Ida May team announced last night that the game between Ida May and the Fairmont Elks scheduled for Saturday had been postponed. Both of these clubs are linked with the best in this section, and local fans are disappointed that the game will not be played this week.

Riversville Defeats Montana. The Riversville baseball team defeated the fast colored team of Montana yesterday on the Riversville diamond by a 5 to 3 score. The game was a fast one from beginning to end and was featured by the sensational fielding of both teams. Braitwood, who did the pitching for the Riversville team, fanned ten men in seven innings.

The two teams are scheduled to meet again on South Side Park one day next week. It is thought that the game will be played Wednesday. The score: RIVERSVILLE AB. R. H. P. A. E. Morris 3b 4 1 1 1 1 1 Brown, rf 4 1 2 1 0 0 Gaskell, 1b 4 1 3 6 0 0 McGowan, c 4 1 2 3 0 0 Harris, cf 3 0 2 0 0 0 Odell, 2b 3 1 0 1 2 3 Tucker, lf 3 0 0 0 0 0 Spencer, ss 3 0 1 1 3 1 Braitwood, p 3 0 1 1 0 0

Totals 30 5 10 27 7 5 MONTANA AB. R. H. P. A. E. Brown, ss 4 1 1 2 3 2 McDay, 1b 4 1 1 6 0 0 Ray, 2b 4 1 2 3 0 0 Carter, c 4 0 3 6 0 0 Smith, cf 4 0 1 8 1 1 Douglass, 3p 3 0 1 0 0 0 Johnny, rf 3 0 0 2 0 0 Dunson, 2b 3 0 0 1 1 1 Dobbs, lf 3 0 0 0 0 0

Totals 32 3 8 27 7 3 Struck out—by Braitwood, 10 in 7 innings; by Odell, 6 in 2 innings; by Douglass, 1 in 1 inning; Stolen bases—Odell, Tucker and Spencer.

Rain Again Interferes. The battle for first place in the Church League between the Bummer's Stars and the Palatine Baptists was called off last night on account of wet grounds. The East Side diamond, where the game was to have been played, is just a new one and a slight rain spoils the infield for playing. Last evening's game was the third game in the league this week to be called off on account of rain. A great

Some Local Sport Chatter

Playing in Hard Luck.

It looks like the South Side Independents are doomed to grow stale. Just when they were hitting their stride, along came old "Jupe" Pluvius and spoiled their party. On Wednesday night they were washed off the field by a downpour of H2O, just when they were counting on winning from the Fairmont Giants. Then they laugh that one off, and along came another one a lot worse. Last evening they were going to show the Watson boys some of the good points about the game, but again Lady Luck frowned at the athletic youngsters and they had to forget all about it. It certainly is a shame too, 'cause those boys have some more ball club and if they ever get another chance to strut their stuff, the opposing team had better look out or they'll make all the runs that would have made in the last two games.

Port Knight Anxious.

Nobody knows for sure, but we think that old man Knight is counting on winning a few ball games in the future. His lineup seemed to have several loop holes in it, but they're all patched up now. Port Knight could take a few chances with his old organization so he grabbed off a couple of college fellers, in hopes of winning one or two. This Russ Wright boy that he's got playing around second base is no mean youngster when it comes to hitting that old apple. Why when he was playing with West Virginia University this season, he broke up two or three perfectly good ball games. We know that something is going to slip, and more than likely it will be the next ball team that tries to win from Ida May.

Adam Returns Home.

Dame rumor has it that Adam Stansbury went back to Morgan-

town after a tour of the state, because he was afraid of a railroad strike. No doubt old Adam did go back on that account, but the real reason was that should a tie-up come, Harry would be forced to send home for his Ford. We don't know Dr. Clarence Spears so well, but we're told that he is terribly fat and fat people are very hard on Ford springs. This might explain why the director never finished his extended trip. Anyway, there ain't much more room for any more football players at West Virginia, and it's a good thing that he didn't get to finish or they would have to run the girls out of Women's Hall, so the athletes would have a place to stay.

Elks Manager A Whizz.

Say fellow, that Bobby Hood person, who plays for the Elks, is some nasty infielder. Did you ever see him do it? Well, he certainly can, and believe me there isn't a brand of baseballs made that he can't handle. He hasn't learned what an error means, and if his batting average isn't over .500, the accountant that figured it is a cheat.

Morgantown Game.

Some fellow named Newman, who lives down at Morgantown, wrote to the sporting editor the other day for a game of ball. Maybe he thinks The West Virginian has a ball club, but he's all wrong; we play chess and tennis. Just the same, he wrote, and what he wants is to bring about a game between an all-star Church League team from his city and ours. Something ought to be done about it 'cause Fairmont has some of its most brilliant players in the mountains of Preston County with that end in view. But now comes the news that he has decided to accept an opening in an engineering profession, which he intends to make his life work and which he feels will be very advantageous. Believing that the practical experience he will secure will be just as beneficial as the completion of his work in the college of engineering here, he has about decided not to return to the University this fall.

Friends here are awaiting further word from Hill, who has not definitely decided which road to follow. If he does not return he will be greatly missed by Coach Dr. Spears who was planning to use him at one of the halfback positions this season. Hill is too frail to play regularly, but he could be used to advantage in a part of each game when he could be counted on for several long and timely runs.

COAST GUARD CELEBRATE

WASHINGTON, Aug. 4.—Officers and men of the United States coast guard, wherever stationed joined today in celebrating the 122nd birthday of the service. Appropriate drills will be made at every station, a feature of the ceremony will be the reading at muster of a gazette order from Assistant Secretary of the Treasury Clifford reviewing the long career of the coast guard.

Meanwhile no disturbances have marked the occupation by state troops who are patrolling an area of forty by twenty miles, extending to eight mining centers in tour counties.

HILL MAY REMAIN OUT OF ATHLETICS

Fairmont Boy Not Expected to Return to University at Opening of School.

George Hill of Fairmont, West Virginia University's sensational lightweight fullback who contributed a number of spectacular runs last fall may not return to school here this year according to word received here by friends from the Fairmont "flash," who is now at the Staunton Military Academy camp at Terra Alta.

Hill suffered an attack of influenza on the eastern football trip last winter and on his return to Morgantown was forced to abandon his work in the college of engineering. He had just entered upon the second semester of the 1921-1922 year and if he had completed his work he would have been in line for his diploma at the end of the coming semester. After recuperating at his home in Fairmont he accepted a position with an engineering company here.

About a month ago he resigned to accept a post as an instructor at Camp Terra Alta.

He planned to condition himself for the 1922 campaign by living a life in the open and until the past several days his friends here thought that he was still training in the mountains of Preston County with that end in view. But now comes the news that he has decided to accept an opening in an engineering profession, which he intends to make his life work and which he feels will be very advantageous. Believing that the practical experience he will secure will be just as beneficial as the completion of his work in the college of engineering here, he has about decided not to return to the University this fall.

Friends here are awaiting further word from Hill, who has not definitely decided which road to follow. If he does not return he will be greatly missed by Coach Dr. Spears who was planning to use him at one of the halfback positions this season. Hill is too frail to play regularly, but he could be used to advantage in a part of each game when he could be counted on for several long and timely runs.

POSTPONED RACES ON CARD FOR TODAY

TOLEDO, Aug. 4.—Today's racing in the grand circuit at Fort Miami consists largely of yesterday's program curtailed by the rain after one race had been finished and one heat run off in the second.

With Prince Loree having a one heat win to his credit, the 2:05 Elks Club trot will be taken up this afternoon.

Other events are: The Legal News stake for two year old trotters, the 2:11 trot and the 2:04 trot.

LEONARD GOING TO EUROPE AFTER BOUT

MICHIGAN CITY, Ind., Aug. 4.—After engaging in possibly one more title contest, Benny Leonard, world's lightweight champion, plans to sail for England in quest of new opponents and to give his mother and sister a European trip which he has been planning on since he took the title from Freddie Welch. Leonard, according to an announcement from his training camp here today, plans to sail for England about September 15 for an indefinite stay. He will meet Ever Hammer in a ten-round bout tomorrow afternoon.

WOMEN ENROLLING FOR STATE CAMP

MORGANTOWN, Aug. 4.—Already enrollments are coming in rapidly for the state farm women's camp, which will be held at Camp Stonewall Jackson, Jackson's Mill, Lewis County, August 21 to 26 inclusive. The camp will be able to handle about 100 women so the advance enrollments are essential in order that no more women shall be accepted than can be accommodated. The enrollments come from a number of widely separated counties, indicating the general interest that is being taken in the camp.

The farm women's camp at Camp Stonewall Jackson will not only be the first camp of its kind in West Virginia but it is a pioneer

piece of work for the whole United States. Much interest has been shown in the camp from places from without the state and many visitors from farm women's papers and other places have arranged to visit the camp and observe it in operation.

Among the women already enrolled are the following: Mrs. J. A. Wood, Buckhannon; Mrs. Lydia Archer, Sistersville; Mrs. G. M. Lloyd, Exchange; Ella Harper, Buckhannon; Mrs. C. E. Wilson, Frenchton; Mrs. D. E. Lance, Abbott; Mrs. Gilbert Scott, Elkins; Mrs. J. W. Smith, Weston; Mary Jackson, Lewisburg; Elsie Rohrbach, Buckhannon; Maude Talbott, French Creek; Mrs. Iva C. Gould and Mrs. H. G. Stumpe, Buckhannon; Mrs. W. L. Munchmeyer, Washington; Mrs. Kims Hood, Weston; Mrs. Robert Shiser, Margaret; Mrs. Mary Moreland and Hazel Horsfall, all of Morgantown.

DRIVE AGAINST USING ELK TEETH STARTED

WASHINGTON, Aug. 4.—(By The Associated Press.)—Don't buy elk teeth for watch charms, stick pins or other ornaments. That is the plea of the Department of Agriculture, for the price of each pair of such teeth is the life of a member of the country small and fast diminishing herds.

They are very pretty ornaments, and for many years have been used by Indians, especially the squaws, for that purpose, but the difference is that the Indians used only the teeth from animals slaughtered for

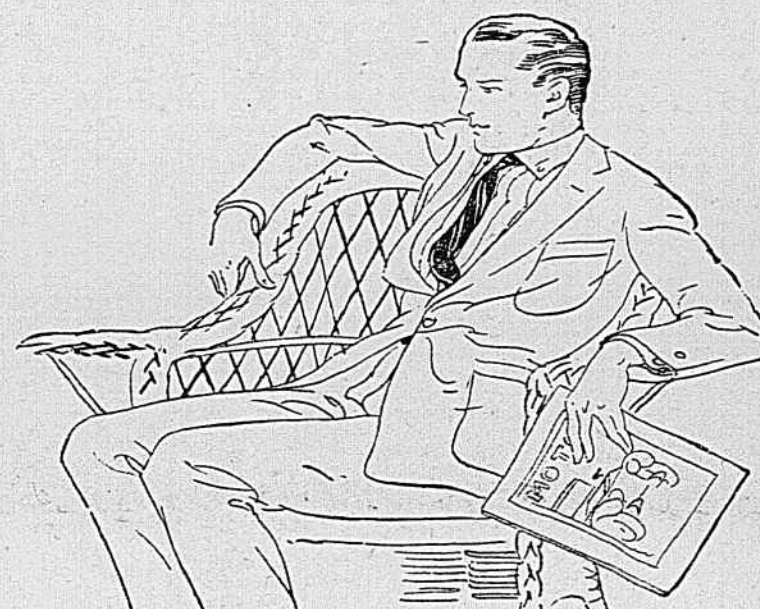

food and their hides, while the white man kills the elk, extracts the two teeth, and wastes the rest. Thousands of bull elk have been killed in the Yellowstone Park region by hunters who illegally poach upon the government preserves, and, despite the vigilance of rangers and guards, shoot down the elk in all seasons, merely for the teeth. The fashion of wearing these bits of bone as watch charms, cuff links, stick-pins, and hat pins has been steadily growing as the once vast herds of elk dwindle and vanish and are threatened with entire extinction, according to the Biological Survey. The hunters receive high prices for the teeth.

A few years ago the wearing of cigarettes for hat-trimming threatened the annihilation of one of our most beautiful birds, but through aroused public opinion a halt was caused in time to save the birds. Unless the market for elk teeth is curbed before it is too late, it is declared, it will mean the extermination of our elk, the most magnificent of deer. A fuller understanding of the history and price paid for elk teeth will have an influence for this wanton slaughter, the Department feels.
